

# Readme

Please go through this document to navigate the additional images, files and presentations submitted as supporting documents in addition to the report.

## Additional Files

We are attaching a GIF file (in the Additional\_Files directory), which is a timelapse showing variation in number of attacks on healthcare over the years in different countries across the world.

## Presentations

- The following are 3 presentations (in the Presentations directory) containing visualizations for the years 2020, 2021, and 2022 which together form data stories for the three years: T2-2020-data\_story.pptx , T2-2021-data\_story.pptx , T2-2022-data\_story.pptx , out of these, T2-2021-data\_story.pptx has been described in detail in the report.
